

Southeastern Regional Vocational-Technical High School Alumni Association Newsletter

PREAMBLE: (from the proposed Constitution, presented March 2001)

In order to strengthen the friendships formed amongst us while at Southeastern Regional Vocational-Technical High School; to strengthen the attachment of each of us to our chosen profession; to render positive service to The School; and to act in all practicable ways as an advocate to the cause of vocational-technical high school education; we form ourselves into an Alumni Association.

What's Going On?

Since the summer of 2000, a steering committee and a small group of die-hard alumni have been working to see that this organization becomes a reality. Our first wish is to get in touch with as many graduates of the high school as possible. If you know another Southeastern graduate who DIDN'T get this newsletter, please let us know his/her name, address, phone number, and year of graduation, and we'll add him/her to our mailing list. **PLEASE NOTE** that we have the full support of the School Committee to make this organization a reality.

Alumni Picnic - May 20 at the School

Has it been SO long that you barely remember where the school is? Don't worry - all alumni are welcome! We'll provide the food and entertainment for a nominal fee - all you have to do is make your reservation (cut off and mail the form below) and show up. Walk-ins will be welcome, too! The picnic is from noon to 5 pm, rain or shine. Wear your sneakers, because whatever the weather, we'll hold a "Odd Years" versus "Even Years" sporting event. (If it's sunny bring a baseball glove.) We'll have activities for the kids, and the entire Alumni Community is invited - students, faculty and administration - as well as our current supporters in the school.

MENU: hamburger, hot dog, wings, sausage, chips, soda/coffee/juice/water.

IN ADVANCE: Adult: \$5.00; Child under 12: \$3.00

AT THE DOOR: Adult: \$6.00; Child Under 12: \$3.50

WE HOPE TO SEE YOU THERE!

What Does the Future Hold...?

We'll be taking time off over the summer, but we'll be back! Mark October 20th on your calendar - that will be the annual Open House. And, if you're a member of a 5-year Class - 1971, 1976, 1981, 1986, 1991, or 1996 - there will be an Alumni Reunion held at the School that evening. Plans are still in the making. If you'd like to be involved, please call our Alumni Coordinator, George Allen, at the phone number below.

We're also planning regular newsletters, an Alumni Council and more events. If you wish to be a part of our efforts, let us know!

The First Annual Alumni Hall of Fame Award

The recipient must be a graduate of The School and has shown outstanding efforts of service to The School or his/her Community. The first selection committee will consist of George Allen and Louis Tarsa and Superintendent James Hager; Mr. Allen and Mr. Tarsa were members of the original School Committee in the 1960s. The award will be presented by the Superintendent of the School and the Elected Head of The Association. Future selection committee members may include past recipients. The inductee will receive his/her award at graduation, to be held on May 30, 2001. Recipients' names will be placed on a permanent display in the School.

Southeastern Regional Vocational-Technical High School Alumni Association Newsletter
